from **£745** + VAT

Plush velvet · Alaska chenille · Daytona bouclé · Enzo tweed · Dapple faux leather

SMART SCENES · ONE PRESS, APP OR VOICE

Goodnight

From either side

No six switches, no walk across a cold floor.

Gentle Morning

Instead of an alarm

Light first, then sound. Wake up like you are on holiday.

Reading

Your side only

One of you reads. The other stays asleep.

Night-time

For the 3am walk

Enough light to see by, not enough to wake anyone.
