Your new wall, *fitted in hours.*

Designed and built in our Glasgow factory, then installed in your home in two to four hours, not the weeks an on-site build takes. No plastering, no dust, no room out of use.

Media walls

A finished wall built around your TV and electric fire, with lit shelving and hidden cables. Wall panels bonded to an aluminium frame, in any finish you like.

Compact 800mm module · walls under 2m	£1,375
